

Interested in a Math Minor?

“A math minor allows you to focus on the mathematics that is most relevant and interesting to you.”

Minimum requirements:

- 18 credit hours of math department courses
 - ◊ MATH 127 or MATH 147
 - ◊ 12 hours of courses numbered 300 or above, excluding MATH 365
- GPA of 2.0 or higher in all math courses
- MATH 290, while not required, is a prerequisite to most upper division math courses

For more information, make an appointment
with a math department advisor.
