*Students must pass the course with a "C-" or higher

**Students must ensure the electives they choose fulfill all remaining KU Core requirements.

***Technical electives are selected from upper level aerospace courses, approved courses from other engineering departments, or approved math courses.

****Students with transfer or AP credit for CHEM 130 must take CHEM 149.

¹Students must be enrolled in written communications courses (KU Core GE 2.1) continuously until the requirement is satisfied.
